

Baptism Preparation:

Beginning in February we will provide our own preparation for the Sacrament of Baptism. Sessions will be offered every other month beginning in February. Sessions will be held in both English and Spanish. Sessions will be the 1st and 2nd Thursday of each month from 7:00 pm – 8:30 pm in the Education Center. Our previous approach was failing to assist families in making this moment of baptism the beginning or a new deepening of their life with our parish. Did you know in 2017, we celebrated almost thirty baptisms, which is lower than the average of fifty. Sadly, we are not experiencing the gift of all these children and their families joining us at Sunday liturgy. Pray that our new approach will be effective and families will live the commitment they make on the day of their child's baptism.
